## FROM THE FOUNDER'S DESK

Dear Supporters and Changemakers,

June brought along the monsoons, and with it, a renewed wave of compassion and collective impact. From our signature "2 June Ki Roti" to thoughtful distributions of clothing and baby essentials in underserved communities, every initiative this month was grounded in empathy and dignity.

We also had the privilege of celebrating World Environment Day in partnership with a prestigious research institute, reminding us that social and environmental responsibility go hand-in-hand. As we prepare for a new quarter, we remain ever thankful to our volunteers, donors, and interns whose spirit uplifts our every step. Let's continue to spread warmth where it is needed most.

Warmly,

A. Bharadwaj

## 1. "2 JUNE KI ROTI" – MONTHLY HEALTHY MEAL DISTRIBUTION DRIVE

 02.06.2025 |  11:00 AM – 4:00 PM

 Jaripatka Labour Stand & GMC Nagpur

 Meals Distributed: Hundreds

As part of our monthly Langar initiative, nutritious five-course meals were prepared and packed with love at our CKB office and distributed to daily wage workers at Jaripatka Square and patient families at GMC Hospital. These locations were chosen due to the high density of people in dire need of basic sustenance. The drive was marked by compassion, coordination, and community support, bringing nourishment to those who often go unnoticed in the hustle of the city.

## 2. WORLD ENVIRONMENT DAY – TREE PLANTATION & CLOTH DONATION

 05.06.2025 |  4:30 PM

 Atomic Minerals Directorate (AMD) for Exploration and Research, Central Region, Nagpur

 Clothes Donated: Multiple bags collected from AMD staff

On the occasion of World Environment Day, a beautiful partnership bloomed. In collaboration with AMD Nagpur, we participated in a tree plantation ceremony and received generous donations of wearable clothes from the employees.

We extend our sincere gratitude to **Shri Shrikant R. Manthanwar, Regional Director** and the AMD staff for their warmth and generosity. These donations will go a long way in bringing dignity to underprivileged families in Nagpur.

## ● CLOTH DISTRIBUTION DRIVE 13.06.2025 | 5:00 PM

 Slums in South Nagpur (OMKAR NAGAR & BHAMTI)

 Cloth Bags Distributed: 45  People Benefitted: 100+

In the southern pockets of the city, slum communities like Omkar Nagar and Bhamti continue to house families who migrated in search of work. Most are employed as rag pickers or daily laborers and lack access to basic clothing. This drive brought not only warm clothes but also warmth of interaction. Clothes were distributed respectfully and with personal attention, sorted by age and gender, to ensure maximum utility.
